Standard Payment Terms AGREEMENT

This Standard Payment Terms Agreement* ("Agreement") is made and entered by and between SOTA MSP ("CONTRACTOR") and ("CLIENT") "Contractor" and "Client" hereby agree as follows:

Net 10 Payment Terms

Past due amounts are subject to a late fee of 10% on day 11 and 10% per month thereafter. Collection of your account becomes necessary on day 60 and Client agrees to pay all costs of collection, including, but not limited to reasonable attorney's fees and cost of suit incurred. Returned materials will be subject to a restocking charge. Returned checks are subject to return check fees. Net 10 may be withdrawn at any time. All Net 10 applications are subject to periodic review and may require updates. Net 10 privileges can be withdrawn at any time without notification if the account goes past due. Any litigation concerning this contract may be commenced, at the sole discretion of Contractor, in any local, state or federal court within the state of Texas.

Checks that are marked as "payment in full" are invalid and rejected. See below. Checks should be made out to SOTA MSP and mailed to the specific address as follows:

Accounts Payable at SOTA MSP
701 Moss St. Suite 2
Gainesville, TX 76240

We reserve the right to return funds within 30 days of depositing checks and under no circumstances will a "payment-in-full" or "in-full" settlement check be allowed except pursuant to a separate written agreement, assuming that payment is less than the invoice amount. Otherwise, it will be presumed that the full-payment check will be tendered in bad faith, and the check will not be accepted as full settlement on an account.

Any claims of errors or discrepancies in the billing must be submitted to our office in writing within 3 business days of receiving the product &/or services, otherwise, all such objections are deemed waived, and the account will become as stated.

This is a guaranty of payment and does not require an independent collection against the business. Should any action be brought, the guarantor may be sued simultaneously with the business entity.

The applicant's signature below attests the financial responsibility, the ability and willingness to pay Contractor's invoice/s in accordance with Contractors terms. The information on this application is for the purpose of attaining credit and is guaranteed to be true. Client understands that approval for credit is based on a complete review of all information submitted and Client authorizes and releases approval for Contractor to investigate all bank and trade references. The undersigned officer warrants that s/he is authorized to execute this application.

The parties agree that a facsimile copy of a signature is the same as an original.
